

PLEASE BE SURE TO CONTACT YOUR CLOSER IF A POWER OF ATTORNEY WILL BE UTILIZED AT CLOSING:

In an effort to protect our customers, all documents must be notarized by an approved notary. Please contact your closing office to schedule an appointment with a Heritage Employee or to have them arrange an approved notary signing for you.

The following are requirements for documents notarized in a foreign country:

Having a Document “Notarized” in a Foreign Country

There are two ways to have a document “notarized” when the signer is in a foreign country.

- First, per **C.R.S. 38-30-126. Acknowledgements before whom taken-** the signer can go to a U.S. Embassy and have the document notarized by embassy personnel. For a list of Embassy locations click here: <http://www.usembassy.gov/> For more information regarding **C.R.S. 38-30-126. Acknowledgements before whom taken-click here: CRS 38-30-126**
- Second, if the country is a signatory to the Hague Convention Treaty of 1961, then, because that country has enacted the Uniform Notarial Act, a “notarization,” or whatever it is called in that particular country, that is performed in accordance with that country’s laws. In this case the signer has the document notarized in accordance with the laws of the country that he or she is in, **and** then attaches an “apostille” to the document. A list of countries that are members of this particular convention can be found at http://www.hcch.net/index_en.php Select HCCH Members found on the left hand side of the home page. A list of the countries appears alphabetically.

What is an Apostille?

- An Apostille is the authentication certification provided for under the Hague Convention. Apostilles may be issued only by a Competent Authority designated by the state in whose territory the document has been executed. To find a Competent Authority select http://www.hcch.net/index_en.php?act=conventions.text&cid=41 found on the page which verifies the country’s participation. Select **Go to the Apostille Section** and then select http://www.hcch.net/index_en.php?act=conventions.authorities&cid=41
- **An Apostille consists of the following:**
 - 1) Name of country from which the document emanates;
 - 2) Name of person signing the document;
 - 3) The capacity in which the person signing the document has acted;
 - 4) In the case of unsigned documents, the name of the authority which has affixed the seal or stamp;
 - 5) Place of certification;
 - 6) Date of certification;
 - 7) The authority issuing the certificate;
 - 8) Number of certificate;
 - 9) Seal or stamp of authority issuing certificate;
 - 10) Signature of authority issuing certificate.
