

Now you can *Sign* from anywhere!

At Heritage Title Company, we want our customers to have the best experience possible. Our partnership with DocuSign - *the world's leading electronic signature provider* - allows us to provide that experience.

DocuSign[®]

- 48 million Users
- Easiest-to-use
- Secure & Legal
- Powerful Platform
- Mobile & Convenient

"We were down to the wire on a closing and because of DocuSign we were able to get a signature within minutes and close on time."

Deniece Loucks, Heritage Title Company
Denver Tech Center Escrow Manager

With DocuSign's E-signature technology, signing documents could never be easier. You may sign from *any computer with e-mail access* or from any mobile device running iOS or Android.

Be assured that your documents are safe and secure; all documents stored on DocuSign are encrypted and can only be accessed by the parties involved.
